HANGING A SIOUX GATE IS LIKE
PLANTING A
TREE...

YOU DO IT FOR THE NEXT GENERATION

"The Sioux gates my dad bought are now 40 years old. I won't have to replace them and I doubt my sons will either."

– *Steve Mowry*

LIFETIME GATE WARRANTY

If a gate is ever damaged so that it cannot be used for its intended purpose, we will repair or replace at no charge to you, our customer. If a gate is hit with a loader or backed into with a truck/tractor, the gate has to be damaged to the point that it cannot be used as a gate to hold cattle, sheep, hogs or any other livestock. This is not a scratch or dent cosmetic warranty, it's a pass or fail warranty as to the functionality of the gate.

THIRD GENERATION FAMILY USING SIOUX STEEL GATES

This 3 generation, family-owned operation owns an astounding 287 Sioux gates and panels. When asked why they buy Sioux gates, their answer was: "Strength, reliability, and their local dealer who cares about their operation."

Sioux Steel Company (the "Company") warrants to the original purchaser that the livestock gates labeled through the Company's "Lifetime Guarantee Gate Program" (the "Gates") are free from defects in material and workmanship for the life of the original purchaser. No individual or entity, including the selling dealer, is authorized to make any statements or assume for the Company any liability relating to or arising

from the product or its use that varies from the express terms of the Limited Lifetime Warranty. **EXCLUSIONS:** The Limited Lifetime Warranty does not cover and the Company is not responsible for: (i) modification or alteration of the Gates; (ii) cosmetic damage, normal wear and tear or damage that does not hinder the functionality of the Gates, including fading of the color; (iii) damage caused by use for purposes

inconsistent with its intended purpose or design; (iv) damage due to use of any parts or components not supplied by the Company. The obligation of the Company is limited to repairing or replacing at its factory any part or component determined to its satisfaction to be defective, and all costs, expenses including transportation, and any fees are the responsibility of the customer. The customer must notify the

Company of a claim by registered or certified mail within (30) days after discovery or the claim shall be deemed waived at Sioux Steel Company, 196 1/2 E. 6th Street, Sioux Falls, SD 57104. This information is not intended to be the entire Limited Lifetime Warranty for the Gates and is for informational purposes only. Please see the Company's New Product Warranty for the full Limited Lifetime Warranty.
